RE: SCHOEPS VINTAGE REPAIRS

As of Q4 2018 Schoeps is no longer accepting “vintage” microphones and accessories for repair service. Essentially any item pre-Colette Series and any 3-Pattern capsule type will no longer be repairable. Parts and materials are just no longer available.

Notable Items no longer serviceable:

CMTS 501 / 301
SKS 501 / 301
CMT Series Microphones
M221 (A or B) and their original power supplies
M934B, A or C Capsules for M221
MK 6 and all 3-pattern capsules from other series
M 201
CM 51, CM 61, CM 60
CM 51/3
VMS 52 U
VMS 32 U
VMS 02 IB
VMS 42 UB
All Power Supplies, tube
